

FOR DISTRIBUTORS AND RETAILERS

Product Catalogue

كتالوج المنتجات للموزعين

Karak, matcha lattes, cappuccino, coffee, tea and stevia. Made in Oman, packed in master cartons and shipped across the region.

Why distribute Lucarise?

A modern, sugar-free range that is easy to sell, made in the GCC.

1

No added sugar

Drink mixes sweetened with stevia Reb-M, for shoppers who want less sugar without giving up taste.

2

Made in Oman

GCC-origin products move between GCC countries free of customs duty, with a certificate of origin.

3

Signature toppings

Many drinks come with a separate topping sachet, such as pistachio or saffron, so they stand out on the shelf.

4

Arabic and English packs

Bilingual boxes, ready for retail shelves across the region.

5

24-month shelf life

A long shelf life gives you time to sell through without waste.

6

Reliable supply

Our own automated sachet line packs 150 to 175 sachets per minute on each machine.

Our production line

150–175

sachets per minute, per machine

10,500

sachets per hour, per machine

180

sachets per minute, sorting and counting

80

boxes per minute, cartoning

Two 5-lane stick sachet machines, automatic sorting, counting and cartoning, checkweigher and metal detector. Speeds depend on sachet size and packaging film.

Logistics and export

- FOB Sohar Port, or CIF to your country
- First order ready in about 1 to 2 weeks

How to order

1

Apply

Fill in the distributor form on lucarise.com/for-business/distributors-retail with your country, sales channels and products.

2

Price list and terms

We send our distributor price list and suggest exclusive or non-exclusive terms for your market.

3

Samples

We send samples so your team and key customers can taste the range.

4

First order

Choose your cartons. Your first order is usually ready in about 1 to 2 weeks.

Let's work together

Prices are shared with approved partners. Contact our business team for the price list, samples and partnership terms.
